Additional time is necessary to complete the procurement process; accordingly, the date for posting the award notice is extended indefinitely. We will give every offeror prior notice before posting the actual award notice. Prior notice will be made by posting a Notice of Revised Award Posting Date at least one (1) business days before posting the actual award notice. The Notice of Revised Posting Date will be posted at the location specified in the solicitation for posting awards. In addition, a Notice of Revised Award Posting Date will be emailed to each offeror at the email address provided during vendor registration.

Once a final posting date is determined, offerors will be notified one working day in advance of the posting of the Notice of Award. The Notice will be posted on our website at www.procurement.sc.gov.
